

Freedom and God's Will for you

Reflection Questions

- *Do you know what God's will is for you?*
It is to do what God has put in your path at this moment, today, for you to do/deal with to the best of your ability!
- *Do you think that you need to wait for a specific event to take place before you start "doing" God's will?*
No!
- Do you look at the mundane ordinary tasks of daily living as God's will for you?
- Do you do these tasks to the best of your ability?
- Do you view your current undesirable circumstance as NOT God's will for you?
- Do you pray to ask for the grace to do God's will each day?
